TONY GAREA'S PAINFUL SECRET

"MY LIFE IS ALWAYS ON THE LINE"

if you ever wanted to win at the track ...now you can

by Paul Fletcher

For some time, I've been looking for someone who knows what it's all about and is consistently beating the races.

All I found was the know-nothings eager to sell their "knowledge" and those truly knowing who wouldn't part with it.

It looked near impossible until I met Dr. Donald Sullivan and I'm going to tell you some interesting things about him that can affect your life.

But I have a problem. How do I convince you *he has discovered the greatest handicapping method ever devised to enable you to be a consistent winner the rest of your life!*

I realize these are strong words, but the evidence indicates *Don is the world's greatest handicapper,* bar none!

I was utterly staggered to see mounds of proof that he had beaten the races.

I invested $3300 of my own money to bet on the horses.

It skyrocketed to over $14,000 in 3 months.

I had found the man I was looking for!

Don is a college professor who devoted the past 9 years to serious research on horseracing.

With the help of a friend, Hank Adams, they averaged 30 hours weekly researching and programming the data into a computer.

The answer was not a "magical formula" that was arrived at "all-of-a-sudden," but had evolved over time.

Unlike anyone else, they were able to determine the true significance of each factor and this guarantees selecting the best horse.

I was not the first to recognize the talents of Don Sullivan.

He was actually invited to conduct handicapping clinics at racetracks....by Arlington Park and by Washington Park.

When CBS-TV News heard of this, they filmed a class and challenged Don to handicap the 6th race.

It appeared almost unreal and staged as Don not only picked the winner at 10-1, but also the next 3 horses.

The announcer felt compelled to warn unbelieving fans that no one could pick winners like that all the time.

Maybe not....but Don sure does come close.

To those who feel that one making money playing the horses would never part with his know-how, I say to you Don Sullivan is the living exception.

He's got the races beaten out of the frame, yet is willing to share his findings! Why?

First, he will enjoy profits from royalties without lifting a finger.

Second, your success will not interfere with his.

Third, it's not easy for him to suppress his ego when being heralded "the world's best handicapper."

And in racing, recognition does not come easy....Nobel prizes are just not awarded. If they were, Don would certainly win one.

You will be shown the VERY METHOD DON SULLIVAN HIMSELF USES!

Apply the rules and you'll flip as your selection, at 6-1, is far and away better than the favorite and wins the race.

But that's not all.

Don introduces a brand-new concept in money-management so powerful it can *turn losses into profits!* Sounds incredible? It is!

By combining this miraculous technique with the ideal selection method, *you will be forced into having a winning day....day after day!*

No guess work....no judgement decisions....no excuses anymore.... just pure exact answers, and you will finally have made it!

Think about it. You'll be making money playing the horses.

Did you ever think you would?

IDENTITY HID EVEN AS FILM HERO IN MEXICO

The question that crosses the mind of the wrestling fans most often is — why does Mil Mascaras wear a mask? He has grace and agility and one of the finest physiques in professional wrestling. You can't hide his body, and he doesn't want to, at least not completely. The rippling muscles, the deep tanned chest, a waist the size of a wasp and the flaring colorful capes and masks.

The mask! Why the mask? Does he hide a scarred face? Is he running from somebody? Is he ugly? Is he shy? What is it? Why?

Well, we hate to disappoint you, but all of the reasons you have been asking and all the excuses you have dreamed up are.. wrong!

Now you won't have to guess or wonder any longer why the body beautiful from Mexico keeps his handsome face covered.

Like most successful people, Mil began his career away from home. An excellent amateur wrestler, he held four titles at one time plus the collegiate championship. After completing his education at the University of Mexico where he studied science, philosophy, drama, and was a member of the acrobatic and wrestling teams, he left for Europe.

An instant hit, the muscular matman took the continent by storm. In the meantime, a popular Mexican wrestling magazine that features a comic strip of the local heros took up the adventures of Mil Mascaras. Each month the strip would feature Mil in a

different country and illustrations of the match. The story would end with the headlines for the next story plus "Mil Mascaras is coming."

For months the Mexican wrestling fans waited for the arrival of this Greek god with the beautiful capes of gold and silver. "Mil Mascaras is coming" — "Mil Mascaras is coming." He was in Germany, then France and Spain, England, Canada, the United States and at last Mexico. Crowds lined the streets. Arenas overflowed with fans. From the border towns of Juarez and Tiajuana to the southern border at Guatemala, it was sell-out crowds everywhere. Mil Mascaras more than lived up to the reputation that preceeded him. He was not only a star, he was a super star.

The Mexican super star reverses the traditional full nelson and stops his foe cold.

Born in Mexico (he will not tell his birthplace) he was one of a family of eight. His body tells you that he was a natural born athlete. Sports and adventure seemed to be his life. He developed a body that responded at his command. Here was a very young man who was on his way to be a great wrestler. In his first year he made a great impact, not only in the wrestling world, but with the entire Mexican population. He was approached by a top film producer who could see in this masked man with the body beautiful a drawing attraction for a Spanish language movies.

Mil Mascaras counsels his brother, Dos Caras, just prior to the youngster's main event.

An enterprising man, Mil Mascaras began to divide his time between wrestling engagements and theatrical lessons from none other than Miguel Cervantes, the great Spanish actor. The first movie starring Mascaras was a fantastic success. He was a James Bond type who stood for law and order. Smartly dressed and driving flashy sport cars, you would never see his face. Sometimes a long shot would have him walking towards the camera, but just when it looked like you would see him, he would turn sideways and then a closeup would show the side or back of his head.

Needless to say, Mascaras became a very busy man. He had a contract to wrestle for Sal Lutteroth and a contract for films with Columbia pictures. The combination made our masked man a hero not only in his native country, but in every Spanish speaking land. Central America, South America, Spain — all over the world, wrestling promoters clamored for Mil Mascaras.

They say if you want something done, ask a busy man. Mil

An excellent closeup of Mil Mascaras' famous mask.

MASCARAS, NOW I.W.A. CHAMP, SIGNED OPEN CONTRACTS FOR ALL CHALLENGES

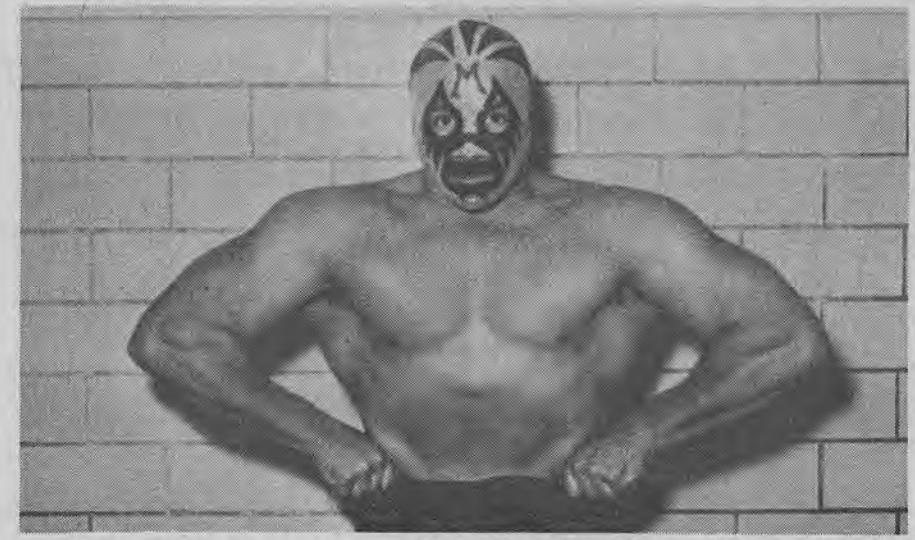
Mascaras' brothers were all athletes, but one stood out. With a body nearly as well-chiseled as Mil's, he wanted to wrestle. How do you approach a brother who is going day and night? When Mil learned of his brother's aspirations he immediately volunteered to assist him. Between engagements, the brothers trained. Every spare moment found them together in the gymnasium. At last he was ready, and a new masked man emerged from the cocoon — Dos Caras.

With connections, Dos Caras was booked to wrestle up north in the Lone Star state. When the wrestlers first laid eyes on Dos they believed it was Mil trying to pass himself off with another disguise. When they were convinced that it was not Mascaras, but his brother, they figured that it was revenge time. Dos had been trained well and if anyone thought it would be pushover time they were wrong. The same acrobatic style. The smooth graceful moves, and Dos Caras was showing the wrestling gentry that he was not easy pickings. Dos returned to Mexico and, with his brother, they made an impressive mark.

Diabolo Belasco and Dory Dixon had returned from tours of Europe and Asia and issued challenges to all. Caras and Mascaras accepted, and the wrestling fans of Mexico were treated to action packed matches. The Mil Mascaras - Dory Dixon bouts were classics as the black man from the Caribbean Islands fought our hooded hero to the very end.

You would believe that a man so busy would have little time for recreation. Not so! Mil's main hobby is his cars. He owns a Mercedes-Benz SL Sports, a Pontiac sports Grand Prix and an Eldorado convertible.

In a recent press interview, Mil was asked about his conditioning, how he must watch his calorie intake to retain such a small waist. To everyone's surprise Mil told all that he eats anything and everything. That diet is all in the mind.



Mil Mascaras gives our photographer a good look at his unbelievable physique.

Recently a new association was formed. It is called the I.W.A. (International Wrestling Association). President Robert F. Hatch has signed all the very top names in professional wrestling. The first tournament was held in Savannah, Georgia and the winner and International champion is Mil Mascaras.

Mil has signed blank contracts and will defend his title against anyone. With the talent the I.W.A. has signed he will be in for a rough schedule. The fans are in for action and thrills.

HOW I MADE A MILLION AT THE TRACK

The true story of Jimmy Davis, gambling pro who discovered the first proven method for winning at the track—INVESTMENT WAGERING

As told to Ken Martin

My interview revealed a fascinating—and highly successful individual. Jimmy D's story gives inspiration to millions!

Until 12 years ago I was one of the country's biggest Welsh gypsy "high rollers." I won big, lost big, went from rags to riches bet after bet. Then I discovered a method so fantastic, my winnings speak for themselves. Since I began *investment wagering* I've won an average *one-half million* dollars each year for the last 12 years at the track. What's more . . . it's so simple, I could teach *investment wagering* to you—in a short time!

Back in the old days, I had a ball! Loud clothes, flashy jewelry, gorgeous gals. What a life! I played every racetrack you could name. And I knew them all; the big stars, famous gamblers, names that still set your ears on fire! One thing about us high rollers—you could always trust another to come through when the chips were down. And believe me . . . when you gamble high and lose—you're really broke.

"Jimmy (King of the Hill) Davis, a colorful character from Atlanta who has become a millionaire through supremely judicious and intelligent wagering, was back at Miami race tracks last week." The Miami News May 14, 1974

So it was inevitable. I got tired of always being days away from my next loan. Win or lose, I had a family to support. My kids got older, needed more. Those high roller days started losing their spell.

But 12 years ago—lucky for me—things dramatically changed! I combined my 40 years racing experience and the secrets the pros leaked out, with the smarts of an old college friend. Our two brains . . . his computer . . . a couple of years testing . . . and I knew I had it. The method of betting that's made me a multi-millionaire. The one I call *investment wagering*.

FANTASTIC WINNINGS YEAR AFTER YEAR

For the past 10 years I've averaged $450,000-$600,000 a year by investment wagering. *Just look at some of my winnings:*

- *In Gulfstream, during the last year of the twin doubles, I won the International Twin Double Handicap Championship by hitting 9 twin doubles in 23 days, for a grand total of $387,000.*
- *At the Kentucky Derby I won $212,000 on a single race (Northern Dancer)*
- *On March 31, 1973 I won at Aqueduct with Passen Mood ($55 to win) in the fourth. With* investment wagering *this winner practically hit me between the eyes—it was that obvious.*
- *On Feb. 9, 1973 at Santa Anita with Silver Salute paying $127 to win, $25 to place and $10.60 to show, I got $1855 on a $5 exacto (the favorite, Fleet Trader paid $0.00 to win, $3.20 place, $1.60 show).*

WHAT IS INVESTMENT WAGERING?

The first *proven* method that works at the track . . . any track, any time. You're actually investing your money like a financial manager. Only the profits are greater. And your money can be safer than in stocks. What's more, you bet what you want . . . earn as much as you need . . . week in, week out. What you make depends on how much you can bet. (This is a progressive method—based on best bets. But the best bets I mean are MY bets, not somebody else's.) I have two main methods . . . for two kinds of action.

#1 FOR LIFETIME INCOME

That's for guys like me—retired or ready to retire (whether you're 25 or 65) who want to make a living at the track. You get a constant 36% profit on your betting investment . . . every week. Plus lots of action—7 horses every 2 days. And it's simple!

In fact, the beauty of this system is its simplicity. A good friend of mine said, "Sure it works for you, but an amateur would lose his shirt." So I sent this man's brother to Gulfstream last winter with $5,000 and my method. He'd never bet on a horse in his life. He left Miami with $9,300—a profit of 86%. You get my point?

But #1 is no giveaway method. You have to spend some time—getting it down pat. Believe me—it's worth the time. From then on you'll need 1 minute a race to make whatever you want.

#2 FOR SAFE, STEADY EARNINGS

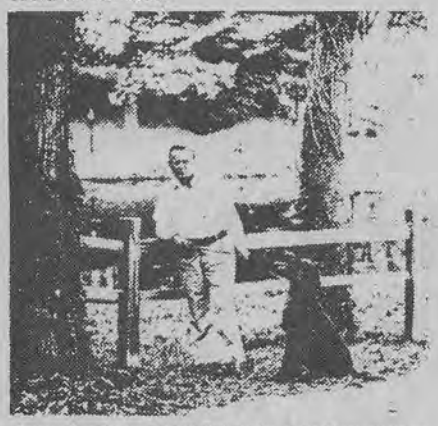
That's for guys who want even more safety and a bit less action. It's for "saturday warriors" . . . out for a good time, and no chance of losing. If #2 is your choice, you're assured 36% return on your money . . . every week you play.

INVESTMENT WAGERING'S YOUR ONE SURE BET!

I've seen too many guys lose their shirts on systems they thought would win. That's why I'm offering my *investment wagering* to you—to show up all those other so-called "winning systems." *You can prove my methods are winners—before you bet a cent!*

I'll take you by the hand (like a newborn babe) and show you—step by step—how to use both methods. Play them on paper for a week or two—check them out before you make a bet. You must average 36% return. Or else, return my methods and I'll refund your money in full.

I'm confident you'll be convinced right away. Like me, you'll quickly discover how to use *investment wagering* to live a happy successful life—just like we both deserve. I've created a paradise on earth for myself. You could do the same!



Jimmy D. relaxes with "Sadie" at his magnificent estate in Georgia.

Jimmy D has recently published his 2 successful investment wagering methods. Furthermore, Jimmy D backs his methods with an unconditional-no risk guarantee to all readers.

UNCONDITIONAL ONE-YEAR GUARANTEE

Investment Wagering Method #1 and Method #2 must bring you an average return of 36%. Otherwise, return the two methods within the next year for a full, unconditional refund. No questions asked.

My tax returns prove that all statements concerning my income from investment wagering are true.

SUPERSTAR BILL

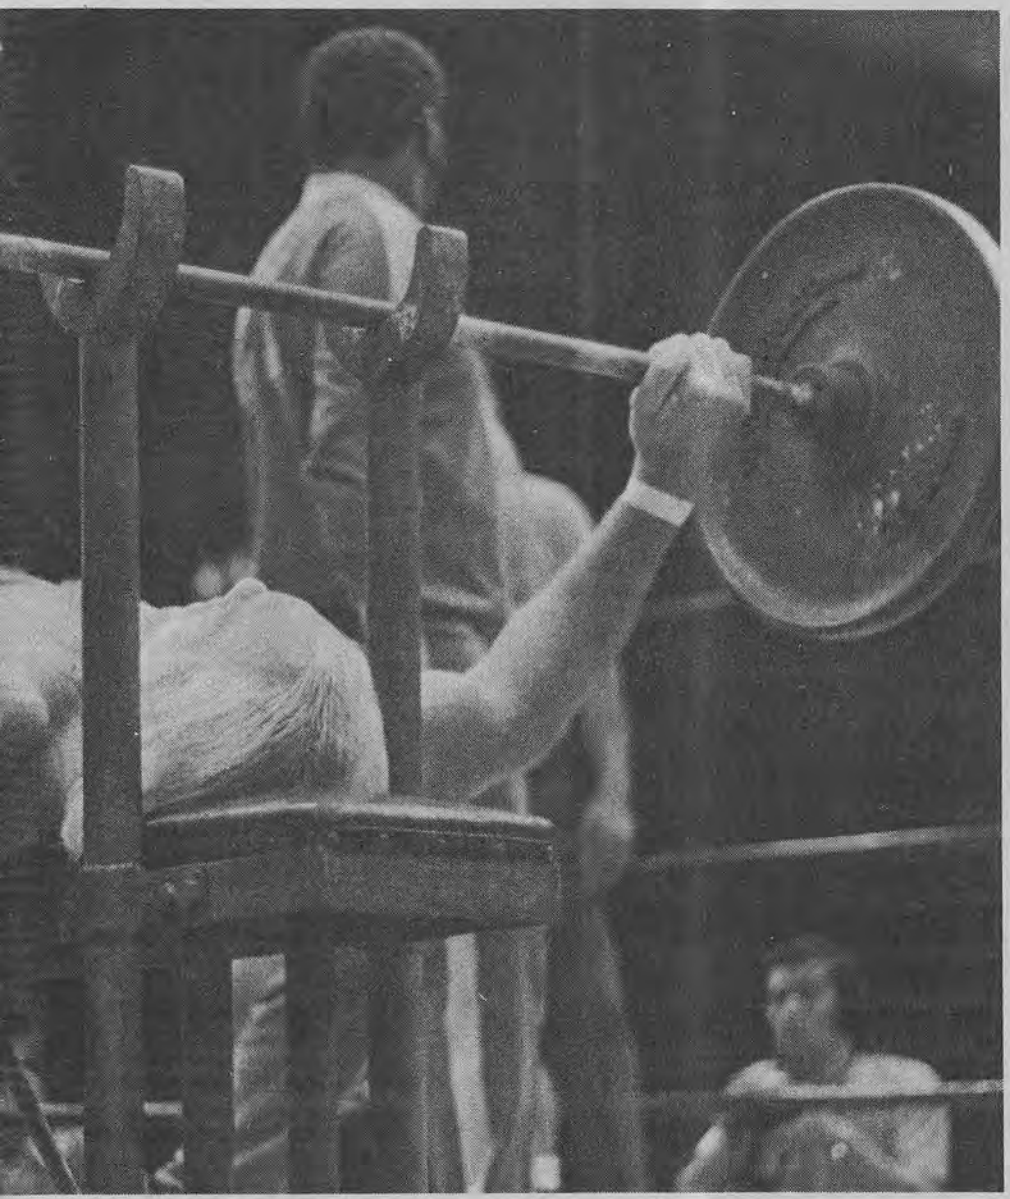
BATTLES ANIMAL HAMAGUC
AMAZES FANS WIT

JAPAN

"Animal" Hamaguchi put up a good battle against "Superstar" Billy Graham, but Graham finally took charge in the last half of the match to win decisively.

Y GRAHAM

HI ON MAT THEN H WEIGHTS



Graham draws a deep breath before attempting a heavy bench press in his weight-lifting match with Hamaguchi.

WRESTLING REVUE travels to Japan for this month's tribute to one of the top ring photographers who frequently contributes stories and photographs of today's professional stars. Mitsuru Uehira is a veteran Japanese cameraman who can be seen in attendance at most major wrestling shows in Tokyo, Hiroshima and most other major cities in that country.

Mitsuru's work has been published in most of the mat publications around the world, and he is considered by his peers to be one of the very best movie and still cameramen connected with ring sports!

When we contacted Mr. Uehira and notified him of this photo feature, he selected for our WRESTLING REVUE readers the action shots on these pages of Billy Graham, the U.S. star who recently visited Japan to do battle with native wrestlers. Now that Japan has become second only to the United States in total wrestling attendance, promoters and wrestlers themselves are paying a great deal of attention to the shows staged in that country.

There are four wrestling alliances currently organized in Japan. These are the All Japan Pro Wrestling, New Japan Pro Wrestling, International Pro Wrestling and All Japan Girl Wrestling. The three male alliances fight to control various areas and arenas almost as strongly as the major American alliances.

All Japan Girl Wrestling handles most of the female grapplers currently working in that country, and the sphere of control of AJGW has recently moved to the Pacific Coast in the United States. Mildred Burke, the former Women's Wrestling Champion, visited Japan last September to negotiate with the president of AJGW, Mr. Matsunaga.

Miss Burke and Mr. Matsunaga were finally able to sign a contract joining together American and Japanese girl wrestlers in a major endeavor.

According to the plan evolved, Japanese girls are now visiting America and are wrestling American girls at the Los Angeles Olympic Auditorium for promoter Mike LeBell.

In return, several of the top American stars are booked to make a tour of Japan and tussle with members of the AJGW alliance later in 1975.

Mitsuru sent a letter along with his photographs when this photo feature was put together. "I would like to use the photographs I am sending with this scrapbook feature to show you how popular wrestling is in Japan," Uehira wrote. "I hope all of the American fans enjoy my notes and photos."

In addition to Super Star Billy Graham, Baron Von Raschke has also just completed a successful tour of Japan.

The exciting action photos by Mitsuru Uehira are solid proof that professional wrestling is bigger and better than ever in the great country of Japan! ●

Hamaguchi, a villain in Japanese wrestling circles, has a powerful headlock on Graham but is about to be lifted high in the air by the muscular American.

Now it's Hamaguchi on the receiving end of a Billy Graham headlock, with the American star drawing tremendous applause for his basically scientific maneuvers. Graham is generally booed as a villain for his matches in America.

SUPERSTAR BILLY GRAHAM WOWS JAPAN WITH POWER, RING GLAMOR

The heavily muscled and colorfully dressed Superstar Graham drew a tremendous round of applause when he first entered the ring, especially gaining a storm of approval from female fans in attendance.

Here are the 6 reasons why this plan works fast to start you looking years slimmer...in 14 days!

1. It Concentrates its Slimming Action On Your Fatty Areas, Waist, Hips, Upper Thighs, that give you an aging look. Because it works most of your muscles gracefully at one time—not body part by body part—the Plan stimulates faster slimming action to help you start fashioning a more youthful looking figure in 14 days.

It's Fun With Results...."5" Minutes And Out.

The Secret Why It Beats Fasting Alone, Making Your Figure Look Years Younger.

Fasting programs, when causing weight loss, unlike our plan usually burn off more active tissue (muscles) which can cause your skin to wrinkle, muscles to sag and create dragging fatigue. Our Plan increases active tissue growth—through the use of the '5' Minute exerciser—while concentrating greater fat loss by (exercise and temporary 20 percent food reduction) making you look years younger as you slim. Within the first '5' minutes you use the exerciser, you start burning off fat, speeding up your metabolism to help burn up stored calories, releasing excess water. Helps curb your appetite without suppressants. Increases energy and well being. It's so simple and enjoyable a plan to follow, we guarantee you can stay with it remaining slim without re-gaining those inches and pounds. It can put an end to your "gain-and-loss-cycles".

"MY LIFE IS ON THE LIN

That is Luscious Johnny Valiant kicking Tony Garea in the back. In many meetings against the Valiants Tony and Dean feel they are the better team.

Tony Garea was sitting in his dressing room after a tough match. The sweat was pouring down his face. He had two rope burns across his back. His left ankle was throbbing as he had it twisted repeatedly by his opponent. He managed a small smile, "Damn but a wrestler's life is far from easy. I wish I had five dollars for every injury I've received since becoming a professional wrestler. I would have a tidy sum salted away in my bank account. You know, mate, I treat every match as a fight for my life. There are some wrestlers who delight in trying to end my career. You have to be sharp at all times."

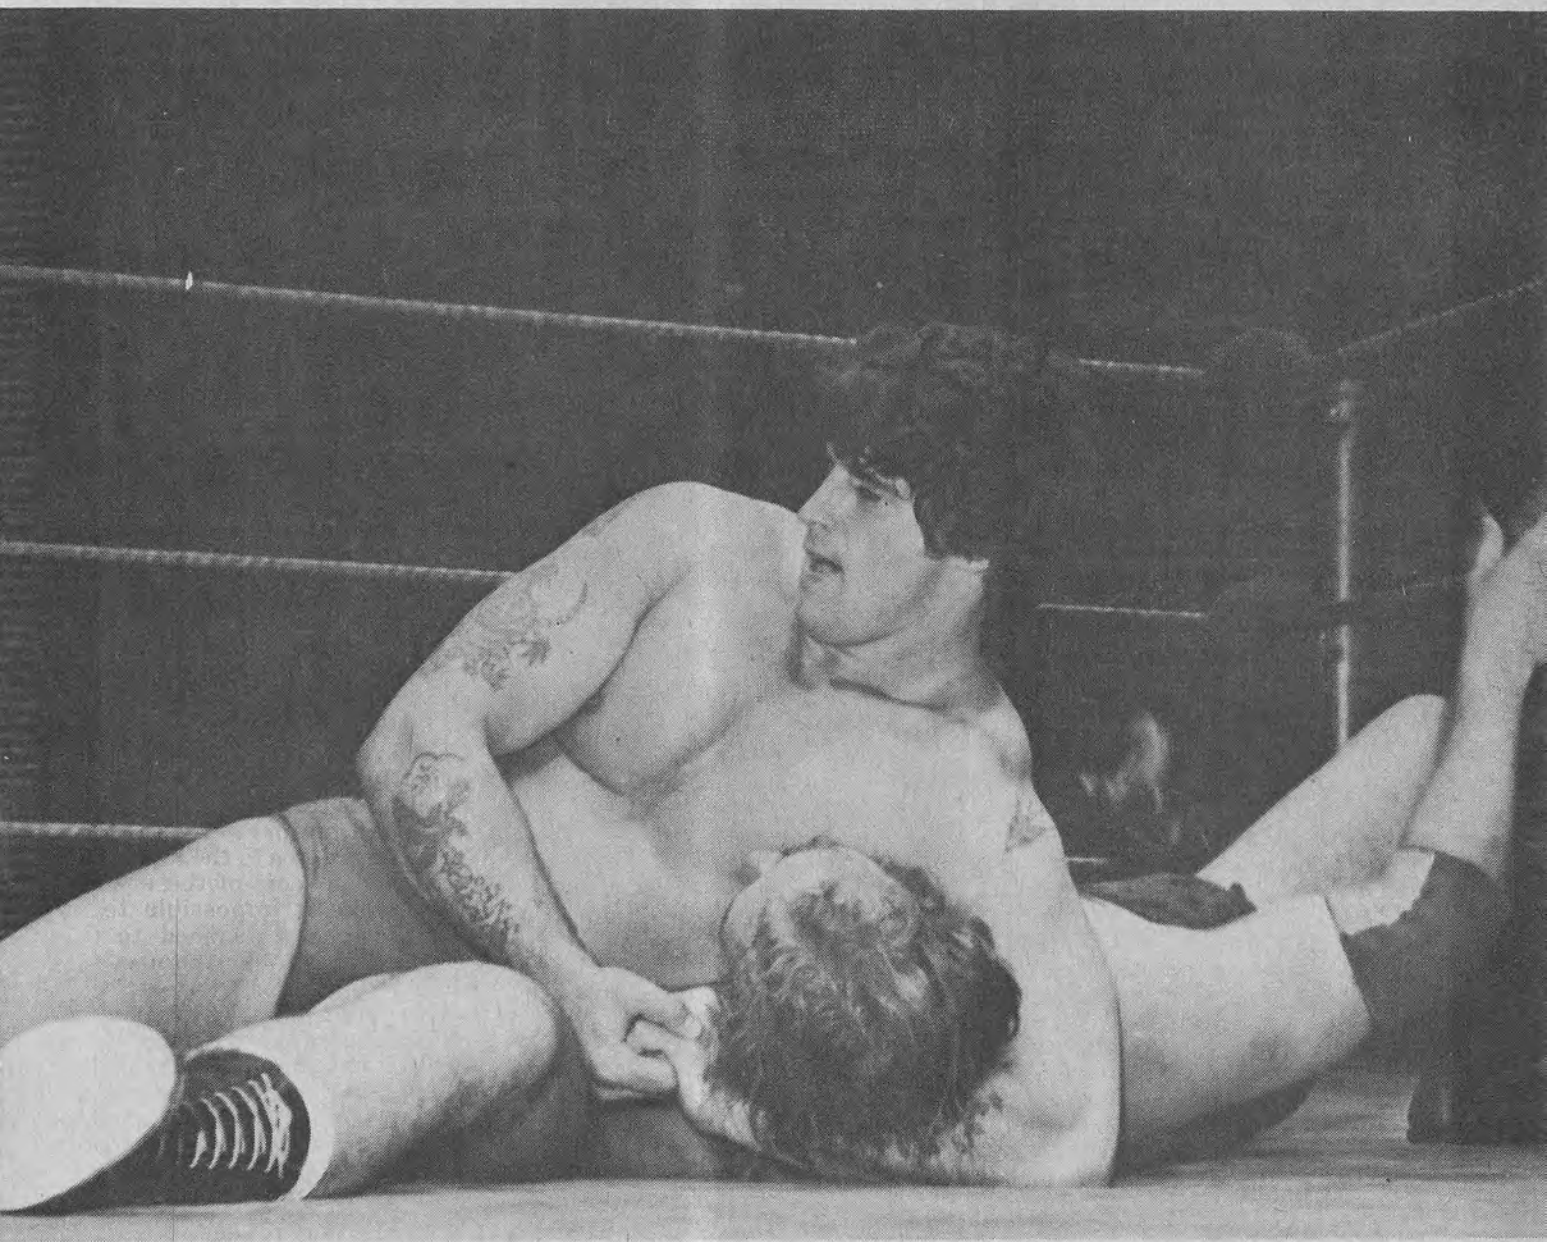
Tony Garea has been a major attraction in the WWWF for over two years now. The fans love his clean good looks. The gals really go for his handsome good looks, which Tony shyly tries to shrug off. Tony prefers to wrestle scientifically but unfortunately he rarely gets the opportunity to get into such matches. He says, "I hate to get down to the level of an animal but some of these wrestlers make it impossible to do otherwise. I've learned to use rough tactics when the need arises."

Tony remembers the turning point in his career when he had to throw away the rule book. He explains, "When I first turned to the pro ranks I had this notion to win my matches cleanly. I had wrestled in my native land New Zealand for two years. Then I went to Florida from a tour in Australia. I had encountered some rough wrestlers in that

ALWAYS E!" – TONY GAREA

by FRANK AMATO

Today's wrestler can't make it fighting scientifically. Or at least that's what the WWWF's popular Tony Garea claims.



Tony has opponent caught in side Headlock. Tony prefers the more scientific match but rarely gets that chance.

HIS FELLOW WRESTLERS SCOLD HIM FOR EASING UP

Tony Garea has Killer Kowalski caught in Wristlock during torrid match. Killer has given Tony tough matches.

time. Sure I wanted clean victories and got them. There were times I had to get rough but not on every occasion. Then I came here to the WWWF area. In the beginning I wrestled mostly prelims and did very well winning them all. Then I proceeded to bigger matches and my troubles started. I was matched with villains like Fred Blassie, King Curtis, Buddy Wolfe, Prof. Tanaka and Mr. Fuji. All well known rulebreakers. I lost to all these wrestlers because of their unfair tactics, which included hidden weapons. Then I became embroiled in a feud with Buddy Wolfe. We had some tough matches. Then there was one particular one where I all but had my match won. Suddenly I was knocked cold. I later found out Wolfe had used Brass Knuckles on me."

When Tony returned to the dressing room waiting was Chief Jay Strongbow and Sonny King. Tony remembers what they told him. He says, "They scolded me for being far too easy on Wolfe. It seems I always held back from retaliating when being taken unfair advantage of. They informed me that unless I gave back what I took I could kiss wrestling goodbye. If I didn't get rougher I would never leave the prelim stage. I realized this made good sense. I knew I could do better because I felt I was better than my record showed against these wrestlers. The very next time I wrestled Buddy Wolfe I tore into him from the outset and he was shocked. I won that bout by giving him what he would have given me."

Since then Tony has met all the top mat stars who have invaded the WWWF area to seek the WWWF Championship. Such as: Don Leo Jonathan, George Steele, Chuck O'Connor, Stan Stasiak, Larry Hennig, Strong Kobayashi, Cowboy Bob Duncum, Killer Kowalski, The Valiant Brothers, Butcher Vachon, The Wolfman, Spiros Arion, Waldo Von Erich, Otto Von Heller and Nikolai Volkoff.

Tony Garea has been wrestling over six years now. He originally comes from Auckland, New Zealand. He excelled in their favorite sport of rugby, a form of foreign football. It was pro wrestler Wild Bill Scott who introduced Tony to wrestling. Tony joined the high school wrestling team and later the amateur ranks.

In 1973 Tony was voted the WWWF Rookie of the Year. It was well earned as he ran away with the voting, topping Chuck O'Connor. Tony's luck even turned to the better as he and Haystacks Calhoun formed a top tag team. Says Tony, "Haystacks was looking for a partner to face Tanaka and Fuji who held the WWWF World Tag Team Championship. It was Calhoun

Tony Garea and Dean Ho still remain top tag team contenders for title they lost to Valiants.

TONY GAREA AND DEAN HO WANT TAG TITLE BACK

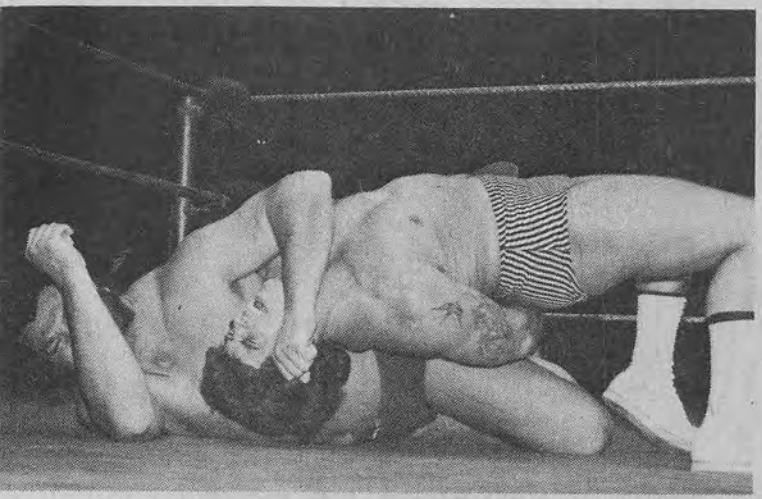
who suggested we team up to see how we would do. We worked just great together. The next two months we beat all the competition. Finally we received our title chance and we made it pay off as we won the tag belts."

Tony and Haystacks held the belts for three months but lost the belts back to Tanaka and Fuji in a highly contested bout. It is still talked about even today by wrestling fans. States Tony, "I will never forget what happened that night. As I was wrestling Fuji that Tanaka used Haystacks' Horseshoe to knock Calhoun unconscious. Haystacks couldn't continue and we lost the title."

Three months later Tony gained revenge as he had found another partner to pursue the title. He found him in Dean Ho. In a wild battle they took the belts back from Tanaka and Fuji. For the next seven months Tony and Dean kept the title defeating all comers. Then in May of 1974 The Valiant Brothers took the belts from Tony and Dean in another controversial match. From that time till now Tony Garea and Dean Ho have been pursuing The Valiants for the title, engaging them in numerous matches.

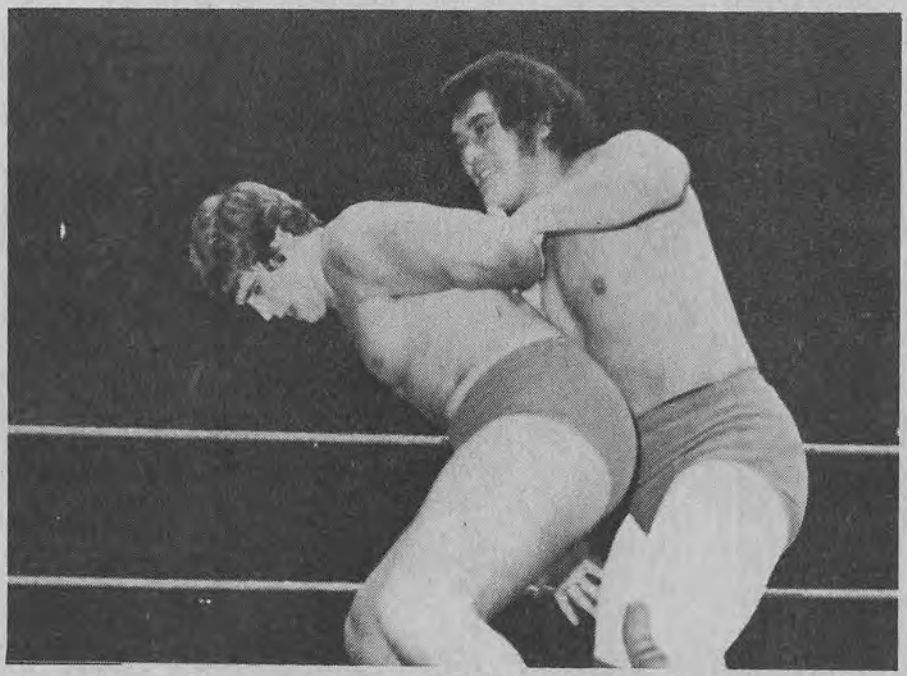
Says Tony, "I never thought I could ever find a more vicious team than Prof. Tanaka and Mr. Fuji. That is until Jimmy and Johnny Valiant came along. They are really mean and vicious and their crazy manager Lou Albano has had much to do in making them keep those belts. Many times we could have won the title

Tony Garea has Luscious Johnny Valiant all tied up with Abdominal Stretch. This is pet finisher of Tony's.



Don Leo Jonathan tries to get Tony in Chinlock as Tony applies pressure on Don's Leg.

Tony Garea has Otto Von Heller in tough spot as they battle in one of their meetings.



Strong Kobayashi has advantage at this point with Wristlock but Tony tries for a tripout.

Tony shows the exhaustion that is part of every wrestler's lot with only the victories to help ease the pain.

back but that Albano always interferes. I know we are better than they but the breaks haven't come our way."

Why after a full year of trying unsuccessfully to capture the tag belts have Tony and Dean remained a steady team? Tony explains, "Dean and I still feel we can win it back. Everytime we meet the Valiants we give them close calls. We even beat them on technicalities but unfortunately the title can't change hands on disqualifications. If Dean and I felt we couldn't beat them we would have split up by now. We haven't lost to any other team and we remain the top contenders. How can we split up now? We know we can win it back."

Tony has survived some frightening holds and maneuvers in matches which have injured other wrestlers. Blackjack Lanza's Iron Claw; The Axe used by Larry Hennig; The Heart Punch by Stan Stasiak; Mike McCord's Bearhug. Says Tony, "It was pure hell being given these maneuvers. I ached for days afterwards. It is maneuvers like these and wrestlers of this type which expresses just why I say every match is a fight for my life. I have an equalizer in The Abdominal Stretch. I win many matches with this submission hold. At least with me I use it just for winning my matches. Not for injuring opponents. I'm not an animal like they are. I just want to survive."

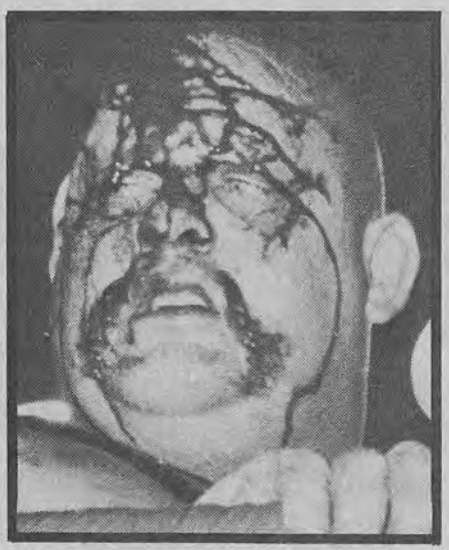
Superstar Billy Graham is back in the dressing room after opponent opened a five-inch gash across his forehead.



Danny Lynch isn't clear as to just how it happened as he attempts to see through the gore pouring from an open wound on his head.

Terry Funk, for all the world, looks like he was attacked by a vicious wild animal. And that's what some fans were calling his opponent.

Wrestling REVUE

Profile Of Dory Funk Jr.

HE'S TEXAS' PROUDEST WRESTLER

Most will agree, the affable Dory Funk Jr. is one of the mildest guys you'll meet — outside the ring.

But that's not totally true. Stay away from the mention of Jack Brisco, if you don't mind.

And don't invite them to the same party!

Lou Thesz was the official in the ring when Funk made a much heralded bid to regain the crown he had held for four years. Jack Brisco was in the opposite corner.

It was the usual two-falls-out-of-three championship and Dory Jr. collared the first one with nine minutes to go in the one-hour time limit event.

Brisco then tossed Funk over the top rope and Lou Thesz stepped in and halted the match — a disqualification. The NWA rules are definite about title events. You have to win two falls. So the meeting was a washout!

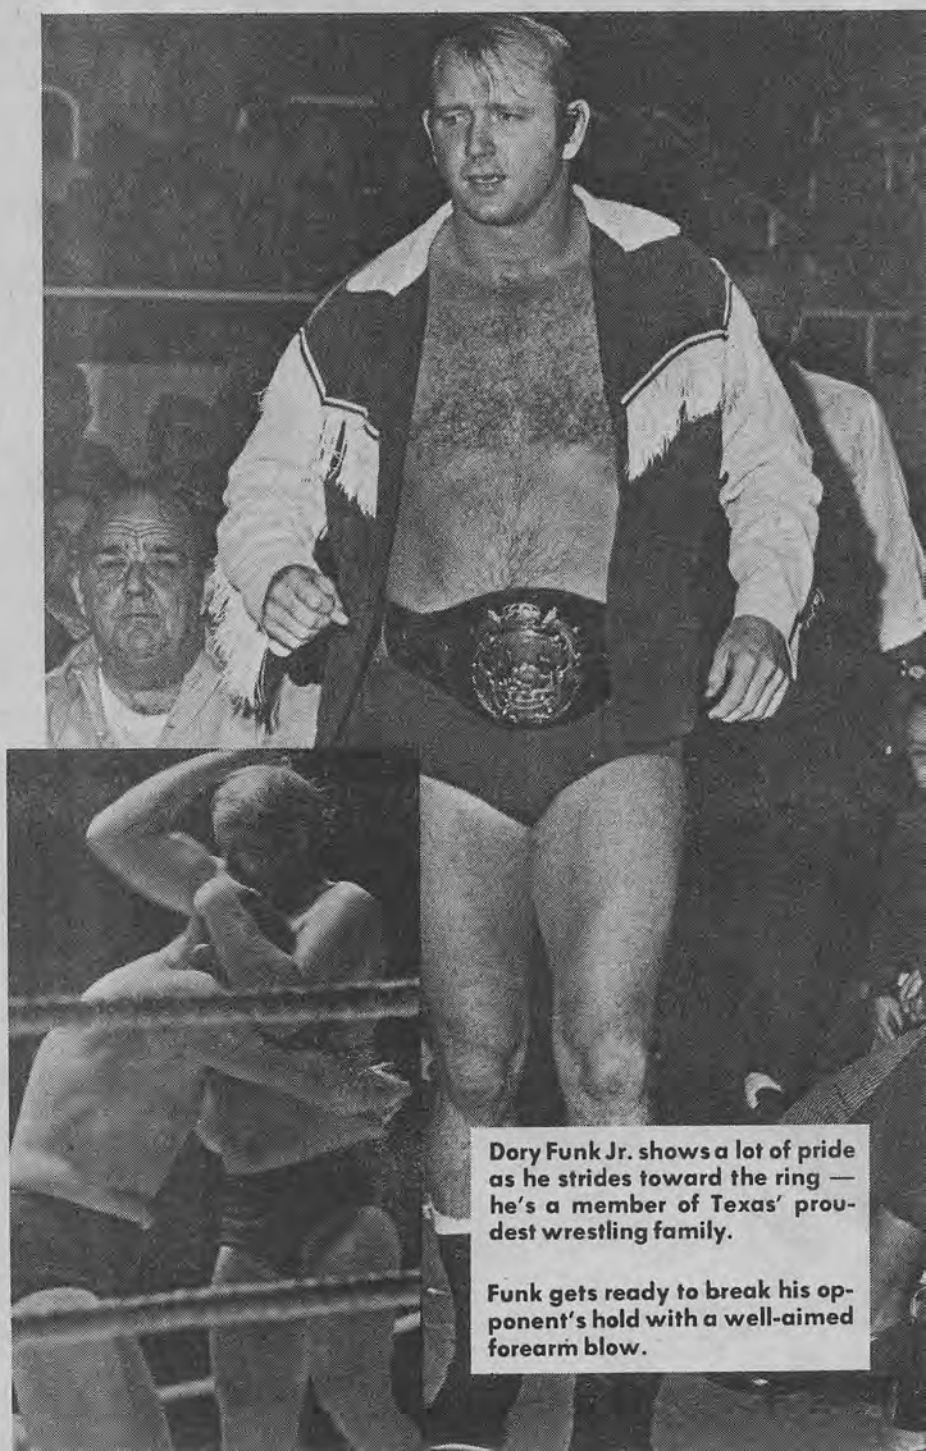
Dory suffered a severe head laceration when Brisco tossed him over the ropes. That's all healed up now, but the open wound of the injustice is still with him.

Harley Race took Dory's title away back in 1973 and he's been on the trail of revenge ever since. The Brisco match looked like the final solution and it had to burn the young Texan when he watched it slip away via disqualification!

Well, the fire is burning even brighter and if determination can win a title, Mr. Jack Brisco better stay in shape.

VITAL STATISTICS:

Born: Amarillo, Texas. When: February 3, 1941. Height: 6'1". Weight: 242 lbs. Birth Sign: Aquarius.



Dory Funk Jr. shows a lot of pride as he strides toward the ring — he's a member of Texas' proudest wrestling family.

Funk gets ready to break his opponent's hold with a well-aimed forearm blow.

Regaining The Title
Dory's Burning Desire

Dory Funk Sr. could always be found close by when either of his sons were on the card.

Dory Funk Jr. had to be a wrestler — he was named after a wrestler who also happened to be his father.

Dory Funk Sr. was a fabled wrestler of not too long ago when he died of a heart attack. An annual benefit match has been established in his honor for a Texas scholarship fund.

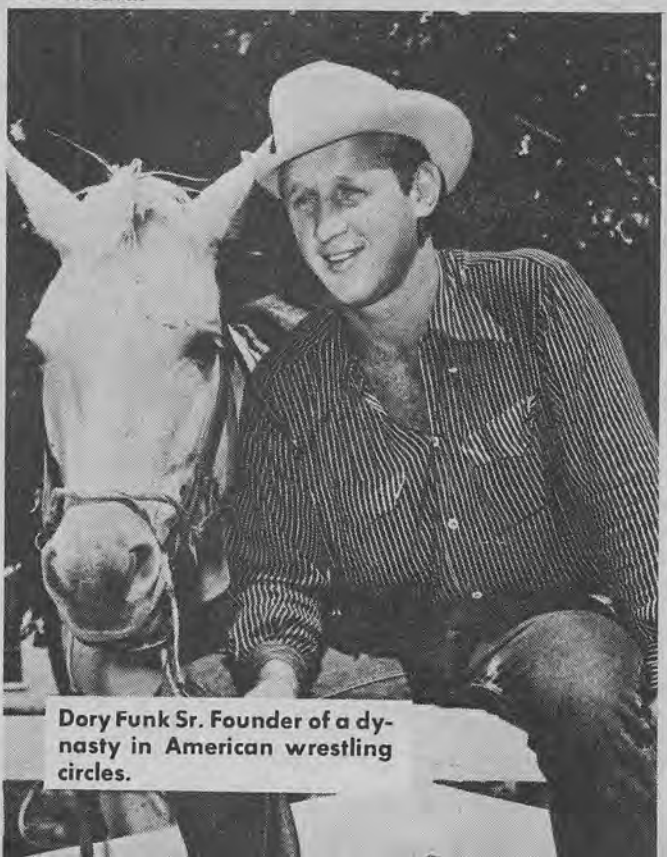
When Dory Jr. and later brother Terry decided on wrestling careers, there couldn't have a prouder dad in all of Texas, big as it is!

Funk, the father, took over the training of his sons. Long hours of hard work molded Dory Jr. into a duplicate of his legendary dad.

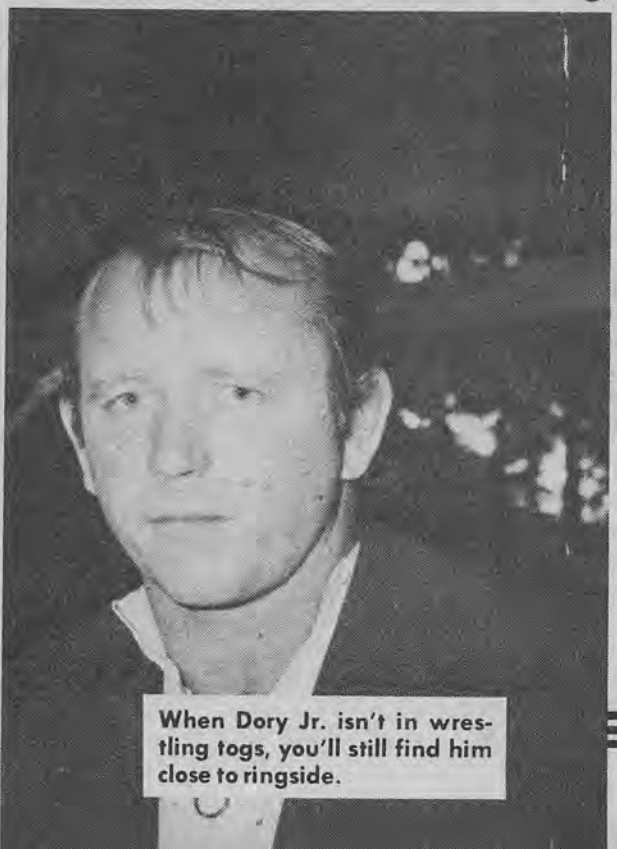
The older Funk got the frosting on the cake when he heard his son's name announced as the opponent to the Canadian giant, Gene Kiniski. It was a David and Goliath meeting.

But there was no stopping the championship blood that flowed through the young wrestler's veins. He met Goliath and he conquered! He was the new World Heavyweight Champion!

Dory Funk Jr. is in his mid-thirties now, he's held the championship and he's lost it too. But with bloodlines like that, don't bet against him being on top again!



Dory Funk Sr. Founder of a dynasty in American wrestling circles.



When Dory Jr. isn't in wrestling togs, you'll still find him close to ringside.

ACTION on the WEST COAST

By Allan Bolte

The masked Mr. Wrestling saw double duty at Roy Shire's extravaganza — he fought in the battle royal and in a single event against The Brute.

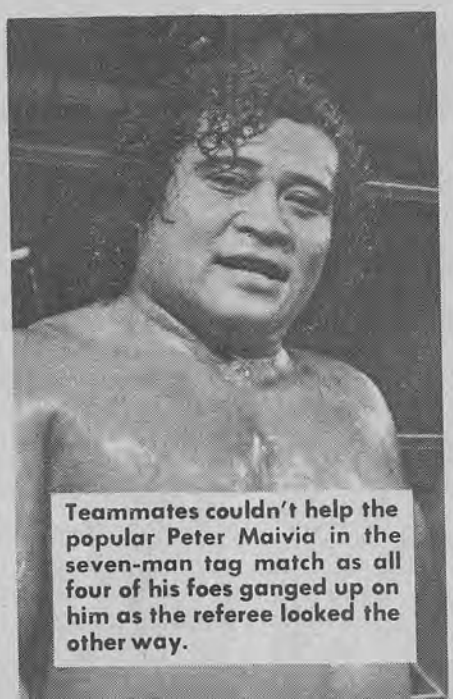
TWELVE GRAND POT TO PATTERSON AT 'FRISCO

THERE has been plenty of action on the West Coast lately, with perhaps the most exciting night of the year so far being the annual $12,000. 18-Man Battle Royal. This was held in San Francisco's huge Cow Palace and it sold out the arena and grossed over $61,000.

Promoter Roy Shire presented the event and it took so long for him to get all the names together that he held it off a month.

"I was going to have the battle royal a month earlier but I couldn't get all the names together and finally a month later it worked out. It's so difficult to line up such a battle royal that I'm not even going to attempt another one until January or February of 1976."

The participants, each of whom paid $500 for an entrance fee, all trying for the $12,000 purse, were Moondog Mayne, Pat Patterson, 7'4", 424-pound Andre the Giant, Dutch Savage, 601-pound Haystack Calhoun, Peter Maivia, Kurt and Karl Von Brauner, Dennis Stamp, Patrick Roach, Mr Wrestling, Kinji Shibuya, Manuel Cruz, Victor Rivera, and others.



Teammates couldn't help the popular Peter Maivia in the seven-man tag match as all four of his foes ganged up on him as the referee looked the other way.

The last two battling were Karl Von Brauner and Pat Patterson and the two fought for several minutes. In the battle royal, the only way a wrestler could be eliminated was to be thrown over the top rope strand and hit the floor or be pinned in the ring. If a wrestler was thrown through the ropes, he wasn't considered eliminated and he thus was allowed to return to the ring.

This happened on one occasion when Patterson and Von Brauner were battling. Patterson was thrown through the ropes and the fans thought he was eliminated. Not so. He returned to the ring and they fought on and finally Patterson threw Karl over the top rope and onto the floor and the match was over. Pat Patterson won the prestigious 18-Man Battle Royal and the beautiful trophy that went along with it, plus a check for a whopping $12,000.

"I thought that I was the happiest man alive," Patterson laughed a few nights later. I was so tired after winning the battle royal that I could hardly walk. Boy, I was tired! I sure was happy though. It took a lot out of me to win the battle royal and I'm glad it was someone I dislike, like Von Brauner, I took it from. He learned his lesson, be-

ACTION on the WEST COAST

By Allan Bolte

lieve me. The people who were there that night saw how mad Karl's manager, Gearhardt Kaiser, was. He was so upset it was pitiful, but there wasn't a thing he could do about it because I won the match fair and square."

The fans were so excited that Patterson won it they didn't know what to do. They were proud of their hero and Patterson was proud of himself.

Promoter Roy Shire presented another wrestler that night who was rugged and rough. Big, mean Angelo Mosca, who weighs 301 pounds and stands 6'3" tall, didn't win the battle royal but he was rough and tough. He wanted to wrestle in the main event but instead he defeated young Dennis Stamp in the opening match.

In the main event, Shire presented a wild seven-man tag match. Seven foot four inch, 424-pound Andre the Giant teamed with World's Tag Team Champions Pat Patterson and Peter Maivia and the three took on the foursome of Moondog Mayne, Karl Von Brauner, Dutch Savage and Gearhardt Kaiser. It was a wild match and after 19 minutes of wrestling, Andre's team won the fall and the match.

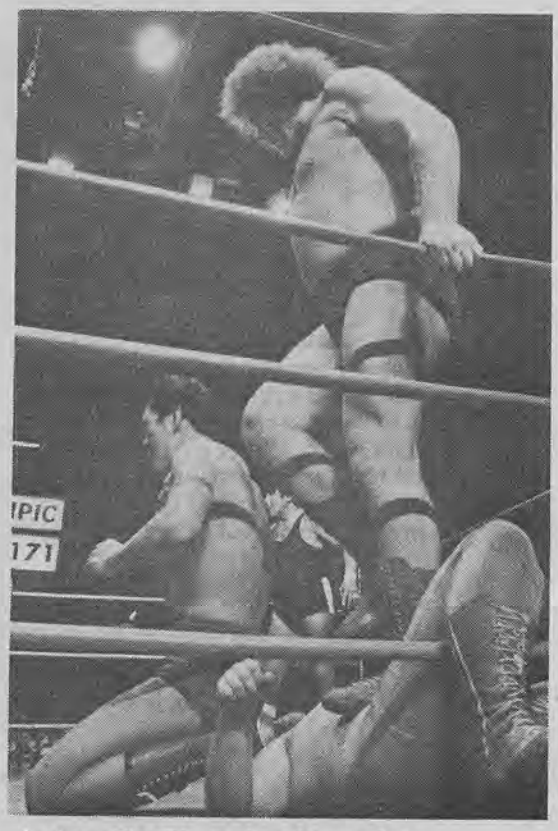
There were many exciting moments during this match. On one occasion Kaiser was caught by Andre and the latter simply threw Kaiser and then sat on him. Patterson jumped on Andre and Maivia climbed on Patterson and Kaiser was squashed like a pancake. There was action all the way in this match and the fans couldn't have been happier and more pleased when Patterson, Maivia and Andre's hands were raised in victory.

Sure, there was some rule-breaking. Karl and Mayne ripped away at Maivia's face and eyes and when Patterson told the referee, the arbiter chased Pat back to his corner and Mayne and Savage jumped in and all four wrestlers worked over Maivia badly.

However, Maivia felt better when his team won and it was indeed a wild night of wrestling action.

In another match that evening the masked Mr. Wrestling took on the present United States Heavyweight Champion, The Brute and the match ended in a no-contest. The Brute is big and mean, weighing 317 pounds and standing 6'4" tall. He jumped Mr. Wrestling while his back was turned and worked him over. He kicked him and hit him and jumped on him. By the time the referee managed to break it up, Mr. Wrestling was hurt so badly that he had to be carried away on a stretcher. The match ended in a no-contest.

Mr. Wrestling is a fantastic wrestler. However, he insists on following the rules during every match and this often is a mistake. Let's face it, this is 1975 and nowadays all professional sports are rougher than ever.



Andrew The Giant plays King Of The Mountain as he wipes his feet on a fallen foe.

ROY SHIRE PUTS SUPER STARS IN MAMMOTH MELEE

Even in professional football the players tend to break the rules more than ever. Sometimes they get caught and sometimes they don't. At any rate, wrestling falls in the same category of being rougher and more brutal and this is easily proved when we name such wrestlers who are now in the sport as Moondog Mayne, The Brute, The Sheik, Angelo Mosca, etc. All of these matmen and many others like them are big and strong and very sadistic in the ring and this is why wrestling is one of the roughest, most dangerous contact sports around today.

High-flying Pepper Martin hasn't been seen too much on the West Coast lately and the main reason for this is because he has been so busy shooting scenes for his newest movies. Some of the readers may not be aware of it, but Martin also sometimes fills in for TV announcer Hank Renner when Renner is away on vacation.

"The main reason that I wrestle is to keep in shape," Martin informed us. "It keeps me feeling good because I always have been athletic. I really feel that acting is my first love and it takes many long, hard hours to combine both, believe me."

Pepper only weighs 225 pounds but he is a great wrestler. He follows the rules but he certainly has the ability to handle those who tend to give him a hard time of it.

That wraps up another issue of Wrestling Revue with the Action On The West Coast column. Next month, we'll have a special interview with photos of big Angelo Mosca. Don't miss it!

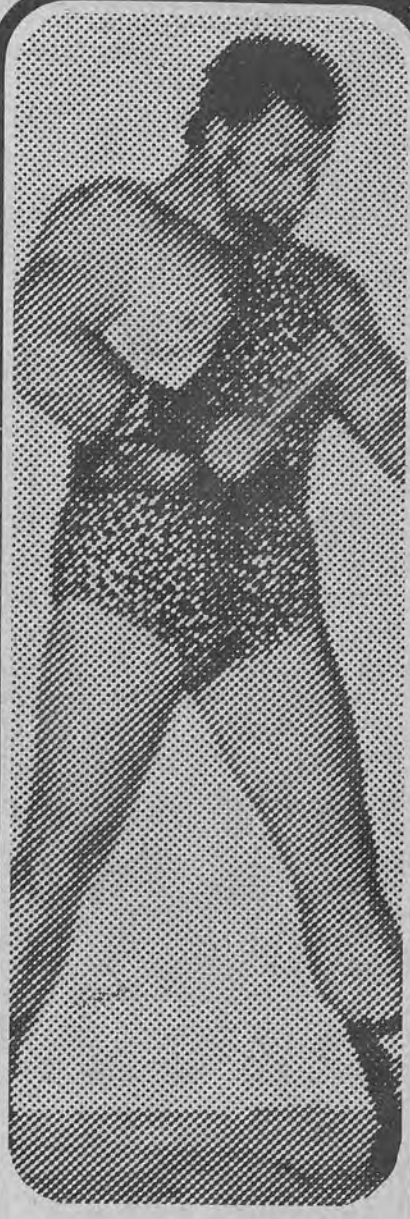
ONLY A WRESTLER COULD DO IT



Charles Saliba bills himself as the "Strongest Iron Man of Europe".

Non-Wrestler Challenges Antonio The Great
(Editor-in chief)
225 Roy St. E.
Montreal, Canada.

Dear Sir;

I am a regular reader of your popular magazine Wrestling Revue. I have read your article about Antonio the Great in which he claims that he is the strongest man in the world. I was very interested by this article, and also by the photograph of this great man, and I would sincerely like to wish him every success in his career.

I would also like to add a few words and make a few comments about this matter, since I am acknowledged as the strongest iron man of Malta and Europe, and your article greatly emphasized the great strength that Antonio possesses and how no one would dare to go up against him in this field of sport that is the strongman act.

I would like to inform you that on many occasions I put an open challenge for any strongman anywhere in the world, regarding the strongman act.

These challenges were published in these various magazines and publications namely: "Skill" No. 73 December 1968 (English publication), "Skill" No. 77 1969 (English publication), "Ring" 1969 (English publication), "Muscle Builder/Power" July 1968 (American publication), "Magazine Domenica del Carriere 9/19/1969 (Italian publication), and also many other various English newspapers.

I personally challenged many world-famous strongmen amongst whom were the following: 1) The famous "Saxon Tylney" (British) who held at the time the world record for lying on a bed of nails for 3 hours. I laid on a bed of nails for 8 hours and 2 minutes, and this was declared a world record by three worldwide

Is Charles Saliba HUMAN?

associations — the M.B.A., I.F.B.B.A., and the F.M.L.A. 2) The famous "Jackie Paul" (British yoga expert), 3) Butty Sugrue (British), 4) Chuck Sepos (American), 5) Eseme Hanson (Nigeria), 6) Walter Cornelius (British Champion).

Our contest was televised on B.B.C. TV in London on September 13, 1970 and I was declared the winner.

I would like to mention some various records that I made and which are acknowledged by the associations that I previously mentioned. I believe that records of this kind were never achieved anywhere else in the world before, or by any ordinary human being.

The following are some of the records: 1) A record for lying on a bed of sea urchins with people continuously standing on my chest. 2) A record for lying face down and lying on my back on a bed with 408 needles, and on it a weight of 240 lbs. of steel and two kids sitting on the steel who in all weighed 168 lbs. In all I had a weight on the needles of 408 lbs. and this position I maintained for 5 whole hours. 3) A record for lying on a bed of nails for 5 1/2 hrs; in a sealed box. 4) A record for lying on broken and sharp pieces of bottles (broken bottle ends) with men standing on my chest for 6 whole hours. 4) A record for lying on broken and sharp pieces of bottles (broken bottle ends) with men standing on my chest for 6 whole hours.
5) A record for being bound from my head to my legs very firmly and tightly with barbed wire for 6 hours. 6) A record for lying between two beds of nails (sandwich) and with a car with 6 people inside on the upper bed of nails on my chest. 7) A record for lying with my head facing up and with an automobile on my face. 8) Lifting a 40-gallon tank with my teeth with a man sitting on it.
9) Lifting a chair with just my teeth with a woman sitting on it. 10) Pulling 5 cars at once with my teeth for a long distance. 11) Pulling 5 cars at once with my neck for a long distance. 12) Pulling 5 cars at once tied to my forehead. 13) Pulling a bus of 8 tons with my teeth for a long distance. 14) Pulling a 12-ton stone crusher with my teeth and with my neck for a long distance. 15) Dragging a car with the handbrake and the gear on (without the wheels turning) with my neck. 16) Pulling a car with a hook inserted through my neck. 17) Pulling a car with a hook inserted through my tongue. 18) Pulling a car with two hooks inserted in my ears. 19) Twisting steel into various positions, also when positioned on my eyes and in my neck, or placed between my teeth and through many other various positions. 20) Hitting on my nose with a very big steel hammer. 21) Inserting a large number of needles, knives and fish hooks from my forehead to my knees, and also on my neck and my back. Besides these items there are many others too numerous to mention.

His pincushion specialty usually makes the squeamish fans look away.

My children perform various acts too, and I feel sure that there never were anywhere in the world children of their age who performed the feats that they perform.

My children are: Guiliana who is 13 years old, who started her career when she was only 6 years old. Guiliana bends steel on her nose, between her teeth and crushes it between the palms of her hands. She also performs a tug of war with 8 youths who can't manage to open up her arms. Guiliana also lies on beds of broken glass, barbed wire, knives and nails and is able to tear up with her hands a thick telephone directory.

Charles Junior, who is 9 years old, started bending iron when he was only 3 years old. Charles Junior bends iron, lifts heavy loads of iron with his head and other various things as well.

Rita, who is 5 years old, started her career when only 3 years old, twists iron and turns it into a spring, lifts heavy weights of iron with one hand, tears up thick books of about 250 pages in two parts, and smashes stone with karate chops, and pulls a car with her neck for a long distance.

All of these achievements have been acknowledged by the 3 associations mentioned before and also acknowledged by various correspondents, the Maltese and Australian public, the Maltese Government, besides various newspaper reports and numerous appearances on TV and also radio shows plus many performances in many theatres, and many other famous places.

All the above things that I mentioned don't involve any tricks and no yoga is involved. They are all for real, and whilst performing these feats I am completely aware and in control of my senses and I also talk to people whilst performing these feats which is sufficient proof that everything is really taking place.

I would greatly appreciate to have the chance to meet famous people with this kind of strength.

I would be really pleased if you get a chance to answer my letter because I will greatly appreciate your reply.

For today I send you my very best regards.
Yours Faithfully;
Charles Saliba.

know your holds

Our presentation of Know Your Holds is offered to our readers on the assumption it will not only make them more knowledgeable wrestling fans but also heighten their enjoyment while attending the matches. These defined illustrations also should enable amateur wrestlers to improve their technique and develop styles similar to those employed in the professional ranks.

The skill required in properly applying The Full Nelson is one of the many things students learn at the Al Costello-George Cannon School of Professional Wrestling and Martial Arts. For information write P.O. Box 32162 Detroit, Michigan, 48232.

AL 'SPIDER' GALENTO

Except for a little thinning around the hairline and a touch more grey in his ever-present moustache, Al 'Spider' Galento doesn't look much different than he did 30 year ago.

Back then, the Spider was making a name for himself in the pro ranks after a highly successful amateur wrestling career.

Later, while still an active wrestler, Al Galento took on the job of managing various wrestlers. This was when you could count the number of wrestling managers on the fingers of one hand.

Don Carson, the Fargo Brothers and the Hines Boys all worked under Galento's direction in the early days.

Born in New York City, Al won state and national titles as an amateur and was appointed to the U.S. Olympic wrestling squad.

He married gal wrestler Helen Hild and they have a son, Al Galento Jr.

FAMOUS RESEARCH CHEMIST SOLVES HIS OWN THINNING HAIR PROBLEM!

Joe Brookave was just 26 years old, recently married, and with a fine career ahead of him as a research chemist in a leading laboratory.

Looking in the mirror one morning, he realized what had been a gnawing suspicion before. His hair was definitely thinner. His scalp itched and flakes drizzled down when he combed his hair, even though he had shampooed the night before.

Thoughts raced through his mind. Was he getting bald? Was it a hereditary pattern that caused most male pattern baldness, or was this a hair and scalp condition caused by external factors that could be helped? Could his hair loss be stopped, the dryness, flakiness, itchiness eliminated? What if it was seborrhea, a common scalp disorder that many dermatologists and hair experts believe cause hair loss?

PUT HIS KNOWLEDGE TO WORK

Well, Joe decided to put his knowledge to work. He studied the scientific literature and reports. He carefully considered just what he wanted his scalp and hair preparations to do and what ingredients were best to use. He prepared many mixtures and tried them until he found the combination he wanted. Joe named his mixture "MY BEST"TM because it was the best product he could devise.

He tried "MY BEST" on himself using it regularly every day. It was great. It made his hair look healthier, thicker, more flexible, combable and manageable. In a few days the itching, flaking and unsightly dandruff gradually began to disappear. His scalp felt better. Less hair came out when he combed.

IMMEDIATE RESULTS — IMPROVEMENT

In a few short weeks he could look in the mirror and see the real improvement in his appearance. Joe's hair looked thicker, his scalp felt healthier. The itchiness, dryness and dandruff were gone. He could really say to himself "My hair loss has been stopped dead in its tracks, and it looks like I'm getting hair that I lost back again."

"MY BEST" is just too good to keep to myself", thought Joe. So he offered it to friends, relatives and fellow workers who had similar hair problems.

Of course, it didn't work equally well for everybody — what does? But most of his friends liked what "MY BEST" did for them, so they encouraged Joe to offer "MY BEST" to the public.

Before After

Laboratory microscopic photos show how "MY BEST" active ingredients thicken the hair up to 136% of original size

How "MY BEST" Works

How and Why does "MY BEST" work? First of all, it contains specific ingredients to combat seborrhea, a common scalp infection that can cause serious and permanent damage to the hair growing follicles in the scalp and produce dryness, itching, dandruff, oilness and HAIR LOSS. "MY BEST" also contains specific ingredients to loosen and dissolve away dandruff. By adjusting the pH of the hair and scalp to normal, natural condition, "MY BEST" helps the scalp fight off infection. And, last, "MY BEST" contains a wonderful new natural protein material that is absorbed directly into the hair to thicken it, make the hair stronger and more flexible and resistant to breaking off so you can style it in the modern, full way to greatly improve your appearance.

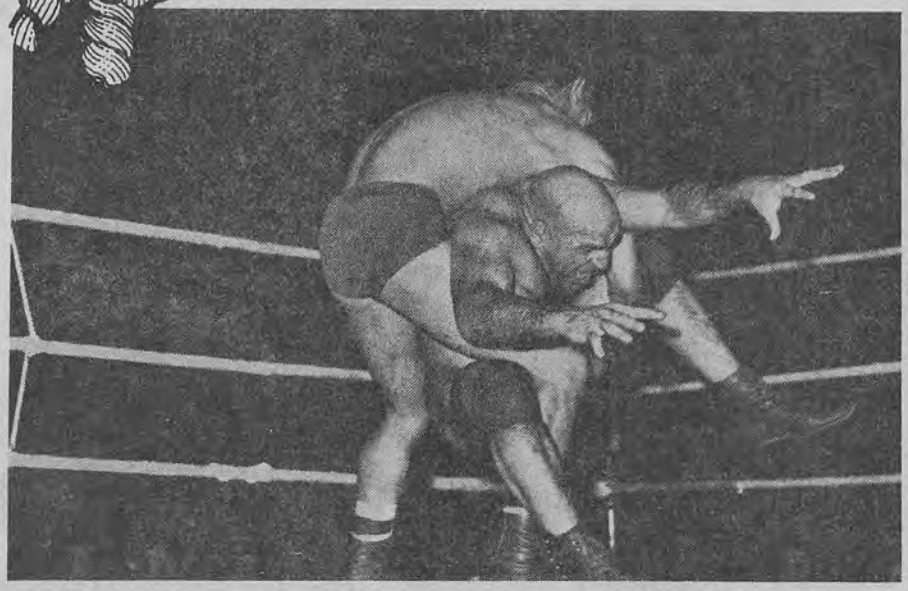
international mat-o-rama

By Michel Bezy



Claude Montourcy has Quasimodo caught in a trap and isn't about to turn the rough, tough rival loose.

Marcella Mura of Italy is an exciting performer throughout Europe and is currently ranked No. 4 behind the champion Lola Garcia of Spain; Mildred Van Lloyds of the USA and Martin Prevost of France.

QUASIMODO IS BACK IN PARIS FOR REAL AFTER 5 CENTURIES

All in wrestling is slowly changing and becoming purely and simply a fight between gladiators; the effects have to be renewed regularly. After the majority of wrestlers who, for adornment, only had their outstanding muscles, their impressive weight and their threatening features, all in wrestling has gradually become involved in a kind of staging in which we have seen Cowboys, Indians, Convicts, Bearded Hermits, Lords, Barons, Marquis, Princes of the ring, giants and dwarfs, men wearing white, black, red, gold masks, and today we have the Hunchback. It is history which is now making its contribution; this formidable wrestler opens and inaugerates the era of fantastic and weird characters, while awaiting the fights of ruffian soldiers, this Hugolian pugilist is manifestly preparing to haul some of his opponents over the coals:

Ah.... No, it's not just literature, it's.... QUASIMODO the monster!

Quasimodo is a horrible and repulsive colossus, deformed and hairy, a tempest under his skull, monstrously agile. Here, without Esmeralda, is "QUASIMODO", the pope of madmen, gap-toothed, eternal, born of some nightmare cathedral. Quasimodo, who hammers and drives, deaf to the reprimands of the referees, and who is ugly, so ugly of an exact ugliness, just as one imagined when reading the story of his namesake. He should be shown in schools! He is a great mime! Hats off to him! With him the public has absolutely everything, is ensnared in the spell, the overpacked hall is full of fear, frenzy, hair on end, wanting the

monster's soul.

After an absence lasting five centuries, Quasimodo has returned to Paris, His journey from Notre Dame to the wrestling halls has not been made unnoticed.

Thirty-five years old, of Spanish origin, VICENTE CASTILLA, for such is his name outside the ring, is an excellent companion and although he fills the rings of Europe with horror and has become the "Bell-ringer of Notre Dame", he has above all remained a "man". ●

Maurice Dumez currently reigns as the 188-pound champion of France and Europe and is one of the top flight box office attractions on the Continent.

One of the most unique gimmicks in wrestling is the colorful duo of the Les Mortuaires de Paris who enter the ring as "skeletons."

The Women's World Wrestling Champion, The Fabulous Moolah recently showed Madison Square Garden wrestling fans why she is still champion of the world, and why she has been champion for over 17 years.

Moolah was returning to the famed Garden after a lengthy absence to defend her coveted title against one of her top challangers, the very pretty Joyce Grable.

Joyce Grable Victim

Fabulous Moolah Shows Garden Fans Why She's Ageless Queen

Moolah, wearing her title, looks at the large NY

I asked the champ if she ever gets tired of defending her title and how she felt being back in New York.

"Oh, I never get tired of defending this title," she replied. "That is the reason I have held it as long as I have. As far as being back in New York, I love it. I am honored every time I am asked to appear here."

"I am going to have a tough time in there tonight against Joyce," she continued. "But hopefully I will beat her and still hold on to my claim as champion of the world."

I also had a few words with Joyce Grable. I asked her if she thought she had a chance in there against the champ Moolah.

Joyce flips Moolah over as referee Dick Kroll looks on

"Sure I do," she said with a smile on her face. "I know she has beaten me before and I do not have a win over Moolah as of yet. But, tonight with the great fans on my side, it could give me the incentive I need to beat her. It would be the biggest thrill of my life to capture the title here. I get a special feeling every time I enter the Garden ring."

"By the way," she added. "This ring has proved to be a lucky one for me. It was here, as you know, where Vicki Williams and myself won the tag title from Toni Rose and Donna Christinello. I just hope that I am as lucky tonight."

Joyce, in control, stands on her head and once again sends the champion flying.

I really enjoyed speaking with both ladies. I had the pleasure of meeting Moolah personally once before in Atlanta, Georgia, at the W.F.I.A. annual convention. Her tactics in the ring are rough, but her manner outside the ring would put any of the so-called "upper class dainty women" to shame. Her name of "Fabulous" suits her to a tee.

Speaking to these two women, you would never know that they are wrestlers, but they sure show it once they step inside a ring to wrestle for the World's Championship.

As the photos with this story show, it was a very hard battle. Joyce had the upper hand several times showing Moolah some great flying maneuvers. But the champ found a way to break the momentum that Grable had built up. That is why she has been able to hang on to the belt for so long. A stupid fan threw a flashcube into the ring and Moolah used it to rake the eyes of Grable. It weakened Joyce but she still came back. A few dropkicks and the champ was down. Joyce sat on the shoulders of Moolah for a pin, but the crafty Fabulous one reversed the hold for a winning cradle.

Joyce had once again lost a chance at winning the most sought after prize in wrestling. She left the ring dejected but with the fans still with her morally. On the other hand, Moolah left the ring all smiles. And the Garden fans gave her more applause than when she entered. She had once again showed New York wrestling fans just why she is still wearing that gold belt.

It makes me glad, really glad that the girls are allowed to

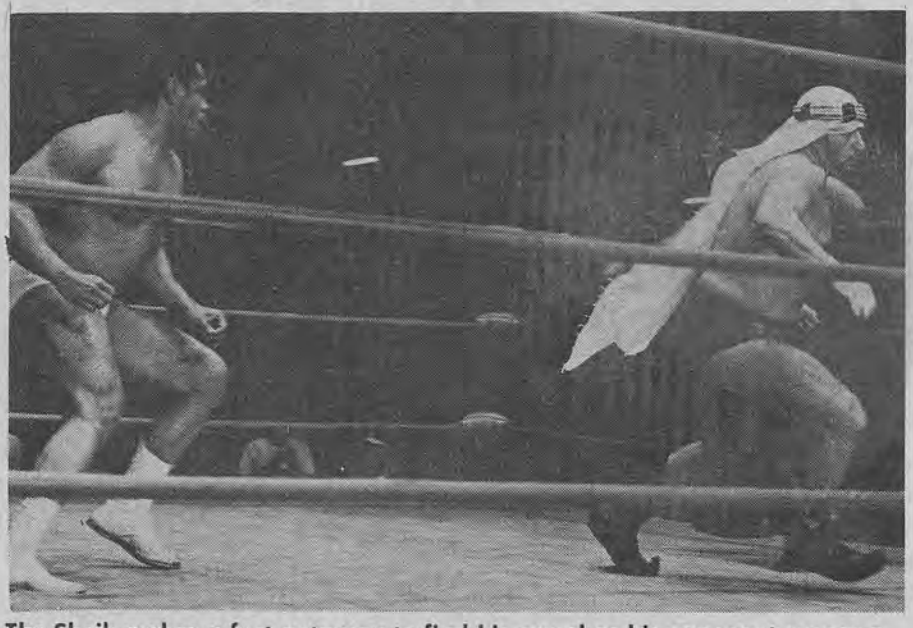
the odyssey of the SHEIK CHAPTER III

The Sheik prays to Allah — a ritual he performs before every match.

THE Germans versus the British. It was a main event that brought the entire world into the second great war. In the desert you couldn't tell if the Bedouin talking to you was rooting for the Allies or if his sympathies were with the Axis powers. The killing, the trading, stealing and double crosses were everyday happenings, and the survivors became accustomed to any kind of living.

Viciousness in U.S. d veteran rival speech



The Sheik makes a fast getaway to find his camel as his opponent proves a little too much for him.

The Sheik was growing and learning. When the war finished he had added six more years to his young life and was anxious to continue with his love of wrestling. But, to use the word wrestling to describe what the young Sheik was doing, would be the same as calling Joe Namath a hockey player.

Wrestler or not, this is what he wanted and an uncle living in the United States told of the great popularity of professional wrestling in America. On a return visit to his homeland, the uncle met with the Sheik's father and persuaded the old man to send his son back to the States with him.

"In America they have wrestling in every big city and most of the small towns," the Sheik's uncle announced. "Wrestlers come from all over the world and they dress in colorful outfits. The matches are fantastic, they draw a lot of people and the wrestlers make a great deal of money."

The thought that he would be able to do what he liked best and the fact that he would receive money for doing it, appealed to the young nomad. His father

ebut has less

wanted him to remain by his side, at least for a few more years. It was decided that uncle, father and son would spend a few nights in the desert. The answer would surely come from the heavens, for the stars tell everything.

The caravan moved across the dunes. It was like the old times before the war. The sands were quiet and peaceful. For three days and nights the old chief sat and talked. Would it be wise for one so young to go out into this world without protection? To visit a foreign country is one thing, but to travel across Europe, the ocean to North America is something else.

It was decided that the Sheik would stay with his father and the tribe for one more year. The youngster was upset and disappointed, he wanted the action and excitement and he wanted it now, not at some future time.

One of The Sheik's first publicity blurbs used when he first came to North America was billing him as The Sheik of Araby.

In the desert, the chief of the tribe has the last word and sometimes the last word is what his victim hears. True, the young man was given everything he asked for and his father would bend over backwards for his every wish. When the decision had been made, that was the final word. Now it would be time to eat and rejoice, for it was a wise decision.

Lambs were slaughtered and guests were invited, but for the young Sheik it was a heartache. He had already packed his suitcase and was looking forward to the long trip to America.

From the time his uncle left, the days seemed to drag. Each day passed slower than the one before. The young Sheik was growing restless. He started bothering his father, then he tried being moody and finally it was arguments and shouting. It was a case of the strong-willed old man against the arrogant, brash youngster. Other chiefs began to place bets: could the young man best the old one or would the old one stand by his decision?

At last the young Bedouin couldn't stand the tension any

longer. He would run away. If his father would not send him, then he would go to America alone.

In the middle of the night when most were asleep, he left. The following morning when the old chief discovered the young man gone and his belongings with him, he went into a rage. "Heads will roll, if he is not brought back at once," he roared.

In the desert the news travels fast. "Bring the young one back," and he was brought back. "I do not understand," the old Sheik said, "But, if this is what you want then I will send you to America and you shall go with my blessings." This would mean another party.

Other chiefs brought going away presents, although he was disliked by many because of his vicious nature. The Sheik's uncle was a professor at a Midwest university. It was arranged that he stay with his uncle — that was his father's only stipulation. It was a pleasant trip and his uncle was there to meet him. The Sheik was anxious to get started. His uncle brought him to see the professional matches and he was so ecstatic he couldn't wait.

His uncle talked to one of the promoters and explained the youngster's background. He was brought to the gymnasium and later the promoter told the uncle that he had never witnessed a man use so many different dirty tactics to avoid being pinned to the mat. "He doesn't use wrestling holds and he doesn't want to, all he wants to do is kick, bite, use elbows and gouge eyes. He should have some wrestling knowledge."

When the uncle explained that he was taught the desert style of wrestling and it would detract from his attitude, the promoter relented. "I will give him a match and see what he can do, let him wear his head-dress and robes and I will announce him as the "Sheik of Araby", then we will see what happens.

It was a big night for the young nomad. He was not surrounded by bodyguards and he was on alien soil. The only person in this entire country that he knew or could talk to was his uncle. The promoter had matched him up with a rough type — an experienced pro who had a bad reputation. All the wrestlers came from the dressing room to see this one — it would be interesting.

From the sound of the bell, the two men went at each other. When they had used up fists, feet, head butts and elbows they went to the floor. Chairs and a table were used, the timekeeper's bell and his ringer. There was blood all over the place and finally with things out of control, the referee stopped the match. The fans were screaming for more action. This was what they had come to see, they loved it, and wanted more.

Later in the dressing room when the promoter told the old pro that the Sheik of Araby was in his first bout, he couldn't believe it. "This was one of the roughest matches I have ever had. I want to speak to that kid," the old pro growled. With the help of his uncle, the old pro spoke to the Sheik. He liked the way he handled himself.

"Kid," he told the Sheik, "I'm going to teach you every dirty move that I know. You're O.K. now, but you will be even better when I get through." ●

Even when she is relaxing on the beach, Miss Sexton can't completely get away from her sport, best evidenced here as she playfully becomes airborne in trying to tag her date with a flying drop kick. Earlier this year Susan appeared on the nationally televised Mike Douglas show, having been named Wrestlerette of the Month for WRESTLING MONTHLY, sister publication of WRESTLING REVUE.

All work and no play makes Jack a dull boy — at least that's the old axiom. Well, the same thing easily applies to the distaff sex as evidenced on these pages. Girl wrestlers — amateurs and pros also have their methods of unwinding. ●

A CRY FROM THE SOUTH

Dear Sirs;

I wrote a letter to you before but I didn't see it in your magazine, so I'm writing again. I think Wrestling Revue is a fine magazine. But I never see stories on wrestlers in the Louisiana area. In the past, I have seen stories on L.A. wrestlers but not anymore. The N.W.A. territory has good guys such as Ken Mantell, World's Heavyweight Champ, Bruiser Bob Sweetan, Ron Star, Arman Hussain, and many more: villains such as Otto Von Heller, Skandor Akbar, North American Champ Rocket and Sputnik Monroe, The Wrestling Pro, The Great Mephisto, Buck Robley and more. All these wrestlers and more deserve coverage. The promoter is Leroy McGuirk.

Sincerely
Herman Fuselier Jr.,
Opelousas, L.A.

(Editor's note — Herman, WRESTLING REVUE has no intention of slighting the Louisiana area. Not only are the stars you mentioned truly deserving of top coverage but there is no finer all-around promoter, former champion and gentleman than Leroy McGuirk. Watch closely in future issues).

David Lane challenges Mildred Burke's girls.

A CASH CHALLENGE

Dear Sirs;
Please print the following as an open letter to Mildred Burke:

Dear Editor:

I have followed the activities of Mildred Burke's Gym for quite some time and have seen her girls wrestle in person a number of times at various places in California. While I must admit she has a fine stable of well-trained and highly talented girl wrestlers, the idea that any one of her girls could easily defeat an amateur male wrestler or boxer is simply absurd! It is well known that she and most of her girls hold this belief and I wish to issue a public challenge to Mildred in this regard: I am willing to put up $1,000 in cash to wrestle or box Mildred's best girl (or girls) — winner take all! This will include, of course, paying all my own expenses to and from Los Angeles. I think it is high time to put an end, once and for all, to this foolish notion that a girl — even a professional — can handle a man in the ring. I wish to emphasize that I box and wrestle as a hobby only and strictly as an amateur. (I stand 5'8" and weigh 150 lbs.). Even so, I am most certain to be the winner of the match and if Mildred has the courage to accept this challenge I will prove it to her, her girls, and to wrestling fans all over the country!

David Lane
1511 Jackson St. Apt. 2
Oakland, California 94612

(Editor's Note — Okay, David, here's your challenge in print. Now it is up to Mildred Burke's girls to follow through. If and when it happens we trust you will let WRESTLING REVUE know about it.)

WANTS MID-ATLANTIC NEWS

Dear Sirs;

I send this letter to you to request that you do a story on the "Sensational THUNDERBOLT PATTERSON". And why don't you have a column in your magazine like "Action on the West Coast" on our area: the Mid-Atlantic region? Here, under the great Jim Crockett Promotions Inc., we have some of the greatest wrestling stars in the world appearing. Names such as Andrew the Giant, Wahoo McDaniel, Sonny King, Bearcat Wright, Johnny Valentine, Ivan Koloff, Chuck O'Conner, The Destroyer, Danny Miller, Rip Hawk, Nelson Royal, Bob Bruggas, etc. With such top stars in the area as this, why shouldn't you do a column on our area? Also please do a story on Rufus R. Jones, who has one of the best "Head Butts" in the mat sport.

I enjoy your magazine very much but to improve it, please take a subscriber's advice. If you do, you will increase your circulation a great deal.

Thank you very much
H. Dean Shore,
P.O. Box 891,
Yadkenuelle, N.C.

(Editor's note — Your suggestions are well taken, Dean, and merit serious consideration. Don't be surprised if WRESTLING REVUE broadens out in that area in the near future. Thanks again.)

THE GOLDEN AGE

THE GREATEST GIRL WRESTLERS OF ALL TIME IN ACTION!

Pioneered by Mildred Burke, undefeated world champion for twenty years, professional women's wrestling reached its zenith in the nineteen fifties. Top women wrestlers then worked main events in the biggest cities! Mildred Burke set gate records in the U.S., Canada, Mexico and the Far East that have never been beaten since—even by male pros.

In this GOLDEN AGE of girl wrestling, dozens of the top battlers made over $50,000 a year. Any good gal pro could make at least $20,000. The dollars were much bigger in those days than in our inflated seventies. Mildred Burke earned over a million dollars in the ring. The gold flowed heavily then to the girls who took the beatings in the ring, and the biggest prizes went to the most successful wrestlers.

These opportunities brought scores of tough, rugged, hungry and determined girls into the sport, ready to claw their way to the top—to fame and fortune. Thus were the settings created for the most violent, rough, no-quarter women's bouts ever seen. Today's world knows nothing like it, and tight-fisted promoters have swept away the most exciting ring spectacles of the twentieth century.

For those of you who yearn for the return of those unforgettable years in girl wrestling, and for those of you who were too young to remember it, the GOLDEN AGE of Girl Wrestling lives again in superb motion pictures! Made right from ringside with super lighting and photography, these movies are the greatest ever made of this gone-forever epoch of violence and action called the GOLDEN AGE. Order your choice of these masterful movies today, and let the GOLDEN AGE of Girl Wrestling live again in your very own living room. Nothing like it available from any other source. Order now. Order them all. The GOLDEN AGE of Girl Wrestling has come again for you.

DICK SLATER IS "CONTINENTAL LOVER" TRYING TO DESTROY AMERICAN DREAM

By CHRISTINE COPELEN

Even though he's a member of Gary Hart's vicious army of villains, handsome Dick Slater is drawing great attention from Florida's female fans.

Gary Hart considers himself the leader of "Hart's Army". Bob Roop prefers to call Gary's stable of wrestlers the "Parade of Champions". Whatever you call them, the awesome group of grapplers include some of the top athletes in the world today.

The youngest is a Florida product, once a student at the University of Tampa and a high school teammate of Mike Graham. He didn't pop into wrestling by changing his name or hiding behind a mask. He came in as just plain Dick Slater.

The 23-year-old blonde bomber soon became recognized by his baby face and somewhat paunchy belly as he earned the nickname, "Pillsbury Doughboy". Dick talked to few people. He wrestled then disappeared quietly into his car, leaving the arena and taking little notice of anyone.

Then came his first big break in the professional sport. Paul Jones, then regarded as cocky, arrogant and a regular bender of the rules, took him under his wing. Under his guidance Slater would gain his first prominence as a wrestler.

"This kid has got it all, brains, brawn, and skill," Jones said at the time. "You show him a move just once and that's it. He's a master of anything you show him."

In less than a month, Jones was using Slater as a regular tag partner. They embarked on a long winning streak, setting Slater up as a probable winner of the Florida "Rookie of the Year" award. Suddenly the kid that no one had taken seriously was rising faster than any newcomer in recent ring history.

A great deal of controversy surrounded the eventual split between Slater and Paul Jones. While Dick was enjoying a winning year as a single, Jones became involved in a bitter feud with Buddy Colt. Surprisingly, Slater never intervened in any of these matches, despite being well-known by this time as Paul's friend and partner.

The fact that Dick refused to help Paul in any way in his feud with Buddy may have been one of the factors that led to their breakup.

As a result of his battles with Colt, Paul Jones emerged as the Florida State Champion. Slater began asking for title matches with Jones, figuring his top billing of the past year had earned him a right at the Florida belt. Jones was stunned at this turnabout by his former friend, and refused to grant a title match.

The once close friendship turned into a bitter rivalry, finally leading to several grudge matches in which the cool, calculated moves each wrestler had used in the past went completely out the window!

Before a sellout crowd in the Orlando Sports Stadium, spectators saw the two battle in one match for over an hour, blood dripping from their noses, sweat-drenched hair falling into their faces. The bout was declared a draw, with each man almost completely exhausted. Other wrestlers filled the ring after the final bell, helping Jones and Slater to the dressing rooms.

Actually, Jones contributed little more than a small part to the career of Dick Slater. As a grappler, the young Tampa graduate was still a bit rough on the edges but had lost his paunchy belly and gaimed a great amount of respect from other wrestlers because of his scientific skills. He floated from one bag team partnership to another, even pairing for a while with Paul's enemy, Buddy Colt.

Dusty Rhodes arrived in this Southern area and it appeared to be a chance of a lifetime for him — the opportunity of pairing in tag matches with Dick Slater. Only a short period after first meeting, Dusty Rhodes and Dick Slater became an almost indestructible tag team.

In their very first tag match they faced Mike Graham and Kevin Sullivan, and won the Florida Tag Team Championship.

Then trouble developed in the pairing. As one fan recalls, "Yeah, I remember seeing Slater pin the man in most of their tag team matches. It seemed as though Slater did all the work

and got little or no credit from Dusty. That's really strange, now that I look back on it."

Slater apparently began to feel that this truly was the case — that he was doing most of the tag work while Rhodes was receiving the majority of the national publicity and credit. The two men split up and took separate trails, with Dick leaving for a tour of Japan and California. When he returned to Florida last year, he found a very different Dusty Rhodes.

Dusty had made the complete change, from ring villain to popular hero. Dusty was now known as "The American Dream", and was busting the heads of many of the men that he and Dick had known as friends back in the days of their violent tag team defenses.

In fact, there had been a change in Slater also. His trip to the Orient made a definite change in his wrestling style. Slater's tactics were even more wide ranging than before and people who watched Dick in action were seeing a truly polished professional, whose perfection of scientific wrestling equaled his highly regarded knowledge of the professional sport. Even Dusty Rhodes saw a change.

"I don't think Slater changed that much. People are just now beginning to realize what a promising athlete he is," commented a ring photographer. "He's a fine wrestler, maybe not another Tim Woods or Verne Gagne, but really who are we to compare him to others? He's ready to be placed among the best in his own right now. He doesn't need any backing from anyone."

Slater has become very unusual in the wrestling world of today in that he is generally considered to be a ring villain. Yet Dick does not confine himself to the roughhouse, rowdy and illegal tactics of so many of his counterparts. Instead, he relies primarily on scientific skills to subdue his opponents. The scientific approach made him generally accepted by fans in Florida, even though he could not be considered one of the most popular wrestlers in that state. But Dick was unhappy with his image — because he didn't feel he was making enough money.

Professional wrestling is like any other professional sport. You're in it to make a living as well as to enjoy what you are doing. You spend many long hard hours each week working out, training and scheduling matches — and winning is a necessity in order to make the top dollar. Win and you make a lot. Lose and you starve."

That summary of professional wrestling is from long-time manager Gary Hart. In summing it up, Gary says: "Great men do great deeds. Little men do nothing."

Dick Slater apparently wanted to become what Gary Hart would call a "great man". He accepted a check and signed a contract on television, joining what is widely known as Gary Hart's "army".

This is a group of some of the roughest, toughest and wildest men ever to appear in rings anywhere. Like the celebrated Lou Albano in New York, Hart has gathered about him some of the most dangerous of the ring badmen in an attempt to sweep all titles available in the sunshine state.

Now Dick Slater was the newest member of Hart's army.

Gary Hart quickly learned that this new youngster was not to be treated lightly. Dick Slater would win and be surprisingly successful — but in the manner and skillful way Slater, himself, decided to use. Hart was a coach, not a boss, in Slater's opinion.

Gary Hart cornered the market once again as the new year was about to take over when he signed Bob Roop, former Pan American Games champion, to a contract. Roop was a former Southern Illinois teammate of Larry Kristoff and Kristoff's coaching had made Roop one of the most dangerous of wrestlers today. Whether scientific or brawling, Roop's knowledge of wrestling was tremendous. Hart's wheels began to roll and the new team of Bob Roop and Dick Slater emerged.

They looked alike, wrestled alike and had that same arrogant attitude. A quick, fast and devastating disposal was their ring plan. Although the team is just beginning to work together, they are already top contenders for the highly regarded Florida Tag Team championship.

Only two years as a professional and Dick Slater has already become a top star. He's known to take short cuts in a match and men like John Heathe, a highly regarded coach in Florida, seems to think he doesn't need them; that his ring knowledge alone would take him down great paths. Yet other people's judgements don't make a great deal of difference in the inspiring efforts of this young man. Only he can make decisions for his own future.

Keep watching for a large, well-conditioned, blonde, blue-eyed wrestler entering the ring. He may soon be in your area. He won't have a paunchy belly, or possess as much of a baby face as he used to. He's a veteran now and is fully ready to take his rightful place as one of today's wrestling greats! He's Dick Slater, one of wrestling's developing new stars!

DUSTY RHODES' EX-PAL, TRAINER NOW A VOWED FOE

Dick Slater is a 23-year-old powerhouse with a tendency to be on the paunchy side but when manager Gary Hart dubbed him the "Continental Lover", the baby-faced behemoth seemed to catch fire as a box office attraction.

THE MILLION DOLLAR MAN

I'M GOING TO SHOW YOU HOW TO MAKE AT LEAST $1,000 IN THE NEXT 30 DAYS

GUARANTEED

OR YOU'LL GET YOUR MONEY BACK AND KEEP EVERYTHING THAT I'VE SENT YOU!

I would like to start by telling you about myself. In fact, I'm even going to brag a little.

I was born March 2nd, 1950. That makes me 25 years old. There's nothing unusual about being 25 years old except for the fact that I've made more money in those short 25 years than most people will make in an entire lifetime!

I've been called a "Financial wizard" by some of the wealthiest people in the country because I've made my money by showing other people how to make a fortune!

I'm what you might call an "idea man" and I know how to make money—a lot of it! For example, last November I grossed over $50,000 on just one of my ideas alone. And I did it by showing other people how to make even more money than that!

I have a lot of ideas. Hundreds of them. And every one of them makes money for me, without exception.

I have discovered ways of making money that are so fantastic and so powerful it would scare you.

It even scares me sometimes when I have so much money piled up on my desk that I can't count it all in one day! Hundreds and thousands of dollars pouring in from all over the country day after day!

I'm going to show you exactly how I have acquired this fabulous success and how you can do the exact same thing.

To begin with, I'm going to send you a copy of my Internationally famous book "The Million Dollar Man".

In this fascinating book I'll show you actual samples and step by step details of ideas that have made me thousands of dollars (including the one mentioned above where I grossed over $50,000 in one month).

I want to teach you everything that I know about making money and I want to show you how to "copy" my success.

I'll share these valuable secrets with you for two reasons: First, by selling this valuable information to you I will become richer. And second, the foundation of my success is based on enriching other people and showing them how to make a fortune too.

Now that's where you fit in! After all, why should you care if I get rich if I can show you how to make a fortune too?

In fact, to back up everything that I'm telling you I'm going to make the most incredible money making proposition ever offered in the history of advertising.

And here it is:

I'm going to ask you to send me a check for $10.00 (that won't even buy a good steak dinner nowadays). In return, I'm going to send you a copy of "The Million Dollar Man" and a "Millionaire Executive Package".

And that's not all: I'm also going to send a signed and notorized MONEY BACK GUARANTEE!

This guarantee states that you must make at least $1,000 within thirty days from the time you receive your package or I'll return your UNCASHED check and you can keep everything I've sent to you!

I couldn't possibly make an offer like that unless I absolutely knew, without a doubt, that this valuable information will show you how to make a fortune.

Now don't get me wrong. I'm not going to send you a bunch of get rich quick schemes or literature that will end up in the garbage can.

I don't believe in doing business that way.

I am going to send you a very fascinating, well written book and millionaire executive package that will show you how to make a fortune, and how to make it fast without doing a lot of hard work.

Making a lot of money with these plans and ideas won't require a lot of "education".

I know of one man that didn't even graduate from high school and he's making over $100,000 a year using the same principles and ideas outlined in "The Million Dollar Man".

It doesn't require a lot of "money" either. I grew up in a poor family and started with only $50.00 in my pocket.

What it will require is that you absorb everything that I'm going to send to you, and have the desire to become extremely wealthy, and then have the guts to do something about it!

If you meet all of the above requirements, and if you want to become independent and have everything that you've ever dreamed of in life, then I strongly suggest that you sit down RIGHT NOW and send for a copy of "The Million Dollar Man" and the "Millionaire executive package".

I personally guarantee that this information will be the best investment that you have ever made and that it will completely change your life.

And remember: If you don't make at least $1,000 within 30 days from the time that you receive your package—In accordance with the terms of the money back guarantee I'll refund your UNCASHED check and you can keep everything that I've sent to you.

These plans and ideas have worked for me and they will work for you. I guarantee it, and I'll prove it to you if you'll just fill out the coupon below and mail it to me today.

If I'm wrong you'll get your money back and you can keep everything that I've sent to you. But, if I'm right, you will become rich. Either way you can't lose!

This may be the opportunity you've been waiting for—so don't pass it up!

Rick, your offer sounds incredible. But what have I got to lose? Please send me a copy of "The Million Dollar Man" and a "Millionaire Executive Package" by return mail.

Don't deposit my check until 30 days after you have sent it to me. If I do not make at least $1,000 within thirty days after I receive it—in accordance with the terms of the written money back guarantee you'll return my uncashed check and I can keep everything that you've sent to me.

On that basis here is my $10.00.

A million jobs have disappeared since 1960

Will Your Job be Next to Go?

Shouldn't you start your own business NOW ...while still employed?

Before more jobs disappear through mergers, automation, and mechanization, shouldn't you at least investigate the way so many men have become owners of profitable businesses —starting spare time and now are independent of bosses, strikes, layoffs and automation? All that's needed is your name on the coupon. Facts mailed free. No salesman will call.

Here are facts: With some ambition and less than fifteen hundred dollars, you start your own Duraclean business, spare time, without risking your job or paycheck!

It's a nationally advertised, worldwide business. It does not require skill, more than an average education, or traits except the willingness to work to start grossing $12, $19, or $26 profit per hour. By return mail, we will explain how.

You build by adding servicemen and/or servicewomen . . . and we pay for their equipment so you can expand rapidly.

This is a service to homeowners as well as offices and stores and institutions—a sensationally improved method of cleaning carpets and upholstered furniture right on the customer's premises—the EXCLUSIVE DURACLEAN SYSTEM!

When you have had your own carpet and furniture cleaned, you know that ordinary methods grind fibers with harsh scrubbing, leaving carpet soggy for days.

This exclusive ABSORPTION METHOD lifts out dirt and greasy soil with a gentle, almost dry foam. Do-it-yourself "so-called" cleaning methods and scrubbing drive soil deeper. You TAKE IT OUT. Carpets and furniture can be used again in a few hours! This is vital to stores, offices, motels.

You operate under a nationally known name—use an exclusive process recommended by the nation's leading carpet mills and in the editorial pages by House & Garden, McCalls, Parents, and House Beautiful. You receive our step by step guidance and help.

Your training shows you how to perform your 7 superior "on location" services . . . how to get customers, how to control your expenses, how to make the maximum profit. You become an expert in the care of furnishings. It is an interesting, exciting career.

Although in time you will wish to buy one or more trucks from your profits, no truck or office is needed to start. You can carry all equipment in your car trunk. Your phone calls can be received at home.

As a Duraclean Dealer you are the sole owner of an independent business and are your own boss. You keep all the net profits.

This business can pay you far more than most men earn—with only the talent and ambition you now possess, and you can operate in any one of three ways.

Many let servicemen do the work while they make a substantial profit on each.

Some men operate permanently in spare time for the extra money they need. Some start in spare time and quit their jobs only after they see they can make a lot more money as a full time Duraclean Specialist.

Even small one-man businesses with one or two helpers can and do bring in $30,000 and more annually. A very high percent is clear profit to you.

The Duraclean Business can be as small as you want or it can be expanded to the level your ambition dictates. There is no limit on income for an ambitious man.

We are about to appoint a limited number of men who are truly ambitious, and anxious to do something about their futures. We want men who will follow our proven plans for success and who want—with our help—their own successful businesses.

If this opportunity interests you, please send your name, on the coupon at the right, for a FREE 24-page booklet which gives complete details on the Duraclean Business. No salesman will call on you. After you've read the facts, decide in the privacy of your home if you wish to take the next step toward starting a business.

WE SWITCHED!

"For the first time in 20 years I've got security —without fear of losing my factory job." **H. E., Ohio**

"I took in $2880 in April. I worked from my home. My wife handles all telephone calls. We both enjoy our new-found independence and the compliments we get from satisfied customers." **J.F.A., Texas**

"When I was 40 I decided to retire before I was 50 years old. With Duraclean I gained financial security in only 8 years—then sold my business at a big profit." **J.H., Ill.**

"Duraclean brought security and an education for my daughters. We've done as much as $3000 on a single job." **Mrs. B.B., Mass.**

"Life is happier and more prosperous for my family and me. Without Duraclean I'd still be going from layoff to layoff. Now moving to new 5-bedroom home." **R.J.B., Mich.**

THESE ARE JUST A FEW OF THE LETTERS IN OUR FILES FROM MEN AND WOMEN WHO HAVE FOUND SUCCESS AS DURACLEAN DEALERS. (IN ANOTHER YEAR YOUR STATEMENT COULD BE HERE, TOO.)
